- I had high hopes for this New Zealand vacation and the actual trip exceeded those hopes. NZ is simply wonderful. Fall weather, wine tasting, nightlife. It is a feast for the taking! The project staff was great. Cool, knowledgeable, friendly and supportive. It was a great experience. Air New Zealand was the perfect host.
- Air New Zealand has made our trip there and back a wonderful experience. The people over there are so nice and helpful. We love the whole experience there.
- The project was interesting and easy. Happy to do something like this again.
- We had a great time on vacation and with the survey, as silly as we looked. On the palm for what woke me up at night I wish there was a choice for children as that was 98% of the "other" that I chose. Thank you.
